Did you **know**?

Our students are having an impressive track record of academic performance in their University Examinations since 1995.

ARMORY AT STUDENTS' DISPOSAL

TRAINING AND PLACEMENT

The Institute has a full-fledged training and placement cell, with focus on the following activities:

INDUSTRY INTERFACE

Business Management Education cannot be delivered in isolation from Industry because ultimately it is the industry, which is going to provide opportunities to the graduates for performing and proving their mettle. Hence, industry interface is core to a Business School and at KAIM we religiously practice it.

MAINTAINING CORPORATE RELATIONS

The Corporate Relation Centre at KAIM is exclusively dedicated to this endeavor. The centre consistently works towards relationship building and networking with industry by inviting eminent professionals from industry, at all levels to our campus and expose the students to the rich and valuable experimental insights of corporate challenges, shared by these industry guests.

SUMMER TRAINING PROGRAM (STP)

A crucial component of the management program is the STP, where, the students undergo 6-8 weeks of internship in any organization. The Corporate Relations Centre facilitates the STP in collaboration with industry and corporate houses.

CAREER MANAGEMENT & PRE-RECRUITMENT TRAINING

The Centre facilitates the campus recruitment drives along with conducting job fitment training & career mentoring. Our track record in placements has been excellent not only in terms of numbers, but also in terms of quality placement and return on investment.

INDUSTRIAL TOURS AND PROJECTS

The students are exposed to the industries through organized tours for their overall understanding of the business activities in the related fields. This is aimed to keep the students in constant touch with the actual practices followed in business. Students are also encouraged to take research-based projects from industries.

ALUMNI COMMITTEE

The Alumni also serves as a catalyst for communication and involvement between the alumni and the Institute, and between the alumni and the students, for the development of lifelong camaraderie. KAIM regularly organizes the 'Alumni Meet' to bring the pass-outs and those pursuing MBA and BBA on a common platform for thought transfer.

ACTIVITIES AT KAIM

PROJECT WORK

Project work is another activity at the Institute for fulfillment of overall objective of imparting integrated learning. Knowledge from books remains dormant until it is put to use and its efficacy is tested and tried. Project work also provides the key to successful development of management skills. At KAIM, project work is interwoven in the course curriculum of every semester. Students are advised and counseled to choose the meaningful projects at various industrial houses.

PERSONALITY DEVELOPMENT PROGRAMME

Any amount of knowledge and skill is of a little use unless the total personality gets empowered. The young graduates are trained to become all round managers by exposing them to the modern techniques of stress management, public speaking, yoga and corporate communication etc.

WEEKLY ACTIVITIES

The different activities i.e. Quiz Contest, Debate, Group Discussion, Extempore, Ad-Mad Show etc are conducted to groom overall personality of the students. Participation in these activities is compulsory for every student. This is a peculiar feature to sharpen the interpersonal skills of the students.
